

# Certificate of Completion

Congratulations on completing Harness the Power of Your Intergenerational Team, the interactive professional development program for the professionals of KRD.

By participating in this program, you've mastered the skills of:

- Gaining awareness of **each generation's formative experiences** and how they shape their feelings about work
- **Leveraging the different approaches** your colleagues take to optimize collaboration and productivity
- Engaging in **meaningful conversation** about how to make every person at the firm feel valued and understood
