

# Certificate of Completion

Congratulations on completing **Launch Your Career with Confidence**, the professional development program for the young professionals of SEO.

By participating in this program, you've mastered the skills of:

- Exhibiting **reliability and enthusiasm** through punctuality, proactive communication, and taking handwritten notes during meetings
- **Confidently** navigating delicate and stressful workplace conversations such as receiving difficult feedback and making a mistake
- Proactively building **strong relationships** within the organization
