

Certificate of Completion

Congratulations on completing the **Summer Intern Accelerator** program designed for the interns of Mark Anthony Brands.

By participating in this program, you've mastered the skills of:

- Intentionally build your **personal brand and reputation** by exhibiting the qualities most valued in young professionals
- Writing **skimmable, concise emails** that make it easy for the other person to take action
- Confidently navigate the delicate, and often stressful, workplace conversations such as **receiving difficult feedback, making a mistake, and addressing a workload imbalance**
- Proactively **cultivate meaningful relationships** within the organization to create a diverse personal board of directors that will guide you throughout your career
